SUBJECT: LETTER OF REFERENCE FOR ERNEST MOORING

This letter is being written as a character reference for Ernest Mooring whom I have known since 2007. I would recommend Ernest wholeheartedly for any character reference/ related matter he is involved with. His work ethic and his ability to relate to young people and overall honesty is an asset for him and a character reference for any subject matter.

I met Ernest when my son was a sophomore in High School playing junior Varsity Basketball. He was a volunteer helping the young Ball players in the neighborhood improve their game. Not only did my sons' game improve because of his association with Ernest, but his attitude, his work ethics, his overall approach to life and his "choices" all changed and positioned him for Success. His influence on our neighborhood kids has manifested itself through at least 4 other "At Risk" individuals who are now leading productive lives because of his efforts.

Ernest has served on the Navassa Town Council since 2013 and has been a major contributor to the Towns success because of his work as the Police Liaison, His Environmental Justice work (Navassa is home to 6 Superfund sites), His military Background, and his continued pursuit of educational excellence evidenced because he is "still" actively pursuing higher educational degrees. He is a Pleasure to work with and I am proud to be on "watch" while he is here..
