To: Nomination Chair and Committee Members:

I support the nomination of Melinda Bales, Mayor of Huntersville, for another term on the NCLM Board. Mayor Bales has been an active and engaged board member also serving as Co-Chair of the Legislative Goals Committee. Mayor Bales met with Municipalities, both large and small from across the state, along with her Co-Chair, Mayor Linda Sossabee, and finished with a comprehensive and inclusive list of goals for consideration by the NCLM Board and its members.

With the NCLM making important legacy decisions over the next term, Mayor Bales' experience, knowledge and work ethic will be critical and invaluable to the NCLM Board of Directors.

If you have any questions or need additional information, please feel free to contact me by email at kalex@salisburync.gov or (704) 638-5231.

Sincerely,

Karen Alexander
Immediate Past President of the NCLM Board of Directors
