To whom it may concern,

I am writing to endorse the application and consideration of adding Mayor Melina Bales to the NCLM Board. I've worked with Melinda now for almost six years in our respective roles in our communities and can attest to her high level of professionalism and dedication to her role as an elected official, public servant, and steward of the Town of Huntersville. Our communities rely on collaboration reaching beyond town boundaries in order to insure that things get done, we have and continue to have a level of interaction that is a model of success for all. Melinda is a true leader, and I am glad to call her a friend.

Sincerely,
