Town of Morrisville

March 20, 2023

Dear Mayor Jerry Jones and Members of the NCLM 2023 Nominating Committee,

I am writing to respectfully ask that the North Carolina League of Municipalities (NCLM) 2023 Nominating Committee re-appoint Satish Garimella to the NCLM Board of Directors next month at the NCLM Annual Business Meeting.

Satish is in his second term as an elected official for the Town of Morrisville, having first been elected in 2015. He has held numerous leadership positions in the region. His service on the Wake County Fire Commission, the Board of Directors for the Friends of the North Carolina Museum of Natural Sciences and as a member of the WakeMed Hospital Board of Directors, demonstrates his ability to represent the citizens of Morrisville and the state.

Satish is a valued member of the Morrisville Town Council. He serves at a crucial time in Morrisville's history. As our population expands and with the knowledge that this trajectory will continue, Satish is focused on planning for the future needs of our Town. He is a devoted, hardworking member of our team and makes himself accessible and is responsive to the citizens of Morrisville. Our residents today benefit from Satish's contributions.

As an NCLM Board Member, Satish has demonstrated his ability to support the six operating principals and five planning pillars of Vision 2030. He is uniquely qualified to bring a first hand perspective on the cultural and demographic changes in our communities and the state. Satish is a catalyst for positive change, driving collaboration across the community. I have repeatedly witnessed his effectiveness in this regard. Simply put, Satish gets things done. He will continue to be an asset to the NCLM Board of Directors.

Please feel free to contact me if you need additional information to support Satish Garimella's re-appointment to the NCLM Board of Directors. Thank you for considering Satish for this important role.

Sincerely,

Liz Johnson
