Dear Ms. Vaughn Williams,

I write to offer my strong support for the election of Board Member Robert Clark to Vice Chairman of the Board of Directors.

I have worked with Mr. Clark for over 20 years and found him to be highly collaborative and with the ability to work across the aisle. As Chairman of our Finance Committee, he understands municipal finances and does an excellent job watching over the city's Finances.

Please let me know if you have any questions.

Sincerely,

J. Allen Joines
Mayor
