Rose Vaughn Williams, Executive Director
North Carolina League of Municipalities
434 Fayetteville Street, Suite 1900
Raleigh, NC 27601

Dear Rose,

I am writing on behalf of Ms. Mary Jo Adams, who is currently serving on the Laurinburg City Council in North Carolina. I recommend Ms. Adams without reservation to the Board of Directors for League District 7 or the available member at large position on the board of the League of Municipalities of North Carolina.

I have worked with her on many projects for Laurinburg and Scotland County over the course of eight years. She is a person of high character and ethics and is dedicated to fairness for every citizen. She understands the role of government in the lives of the taxpayers. I believe her talent, abilities, and unique skill set will be an asset to your organization.

I am confident that Mary Jo Adams will successfully work to achieve the League's goals and contribute significantly as an advocate for cities and towns across the state.

With kindest personal regards, I remain,
Sincerely,

Senator Thomas M. McInnis
Senate Majority Whip
District 21: Cumberland and Moore Counties
