Dear Nominating Committee,

Thank you for doing the important work of selecting our NCLM leadership.

I highly recommend Satish Garimella for the role of Second Vice President. I have known Satish for many years and watched him successfully lead the Town of Morrisville through years of rapid growth and change. Satish is an open minded, highly collaborative elected official. He is admired by his colleagues on his Council and his staff as well as those of us in neighboring jurisdictions. Satish understands the importance of the League and its mission. He is committed to advancing the wellbeing of NC municipalities.

Regards,  
Jennifer
