To whom it may concern.

I am writing to enthusiastically support the nomination of Mary Jo Adams for the NCLM Board of Directors. As a dedicated member of our City Council, Mary Jo has consistently demonstrate outstanding leadership, commitment and vision for Laurinburg.

During her long tenure on City Council, she is always well prepared and informed on any issue that comes before Council and understands the history of our community and the diverse population we serve. She is not afraid to express her opinion, even if it may not be popular.

In addition to her service on Council, she has long been involved with the Lumber River Council of Governments and a member of our airport board, now the Southeast Regional Airport Authority.

Her passion for public service and her ability to bring people together to achieve common goals make her an excellent candidate for the League.

I have no doubt that Mary Jo will bring the same level of dedication and commitment to the NCLM and will be a valuable asset to your organization. I wholeheartedly endorse her nomination and urge you to give her your full consideration.

Sincerely,
James Willis
